Dear Commission,

I am writing on behalf of the Board of Directors and the Building Committee of Habitat for Humanity of Martha's Vineyard. We strongly support the Island Housing Trust's plan for Bradley Square in Oak Bluffs.

Habitat for Humanity of Martha's Vineyard is a partner with the Island Housing Trust and the Island Affordable Housing Fund. We will receive one unit located within the parameters of Bradley Square which will be made available at 80% or below the median income level for Dukes County. Not only will Bradley Square continue to address the needs of affordable housing on the Island, but it will preserve Martha's Vineyard's history, help retain people on the Island who are an important part of the Island's year-round community, as well as enhance the neighborhood.

We look forward to our continued partnership with the Island Housing Trust and the Island Affordable Housing Fund at Bradley Square and urge you to quickly review and approve this project.

Thank you.

Sincerely,

Andre Mallegol
Vice President
Board of Directors
Chair, Building Committee
