**Draft FFY 2018-2022
Martha's Vineyard Transportation Improvement Program (TIP) Amendment 1**

The Martha's Vineyard Transportation Improvement Program (TIP) is a program of capital improvements and operating assistance for the transportation system in the Martha's Vineyard Region. The Martha's Vineyard TIP lists projects (highway, bridge, and transit) and operational assistance that receive federal funds, and may list some projects that do not receive federal funds.

On October 18, 2017 the Martha's Vineyard MPO reviewed and subsequently released the draft FFY 2018-2022 Martha's Vineyard TIP Amendment 1 for a 21-day public review and comment period. The Martha's Vineyard MPO will review the public comments and consider endorsement of the draft FFY 2018-2022 Martha's Vineyard TIP Amendment 1 on November 18, 2017.

The FFY 2018-2022 TIP Amendment adds the 5339 - Low or No Emission Vehicle Program (LoNo) funds in the amount of \$1,200,000.00 to the FFY 2019 Transit Element. Once approved, the monies will be flexed from FHWA-to-FTA for use by the Martha's Vineyard Transit Authority to purchase 35-ft electric buses and an energy storage system.
