

GIS Intern Summer of 2017

Resumes accepted until Position Filled

The Martha's Vineyard Commission is seeking a person to fill their GIS Intern Position for the summer of 2017. The individual, supervised by the MVC's GIS Coordinator, will be responsible for updating the MVC's Conservation Land data file. The task requires meeting with local conservation groups and possibly conducting research at the Registry of Deeds. Updates to perform include attributes and geometry. The successful candidate will ideally have at least two years of GIS experience (either coursework or employment) including use with ESRI's ArcGIS OnLine mapping program and ArcMap Desktop application. The candidate should be able to work independently with minimal supervision and have a high attention to detail. This position requires housing and, ideally, a personal vehicle. Funding is available for 8 weeks (37.5hours/week) at \$14.00/hour. To apply, please send resume and cover letter to Chris Seidel via email seidel@mvcommission.org.
