NARRATIVE

On the above date and time Ben Deforest called the station to report that he witnessed windows open and heard voices in 3 Uncas Ave, an abandoned house. I, Officer Seth Harlow, and Officer Wiggin responded and checked the house but found no one inside. There was obvious signs of people squatting at the house and a

large amount of vandalism, spray painted walls and broken windows, was found throughout the house. I updated Ben on our findings and he said he would call if he observed anymore activity there.

I then attempted to contact Michael Sawyer and advise him of the situation but I couldn't locate a contact number for him and his workplace wasn't open. I forwarded this to the eve shift.
