Martha's Vineyard Commissioners,

I'm writing on behalf of the Edgartown Historic District in reference to an application you have in front of you for a demolition of a historic home located at 10 Crackatuxet Cove.

As the local historic district we encourage you to accept this application for concurrent review which would allow an opportunity for us and others to give input before this historic home is significantly altered.

A handwritten signature in black ink, appearing to read 'Julia Tarka', written over the printed name and title.

Julia Tarka
Chair of Edgartown Historic District Commission
