Dear Mr. Elvin

We have summered at Pierside , Oyster Nominee Trust 1115 Main Street, for best part of 40 years as next door neighbors of Susannah and Brian Bristol.

They have always proved sincerely and sensitively concerned for the well-being of our neighborhood, in particular Susannah has worked tirelessly for the community of West Chop, Tisbury and the island of Martha's Vineyard as a whole.

They have shown us their plans for the rebuilding of their family home at 1133 Main Street, and we enthusiastically support the vision they have outlined.

As residents of the Vineyard for over 100 years, their family understands the sensitivity of this fragile island to change of any sort, and we understand and appreciate their goal to rebuild their home in such a way that the new structure will seem as if it had always been here. By recapitulating the key design elements of the existing structure, they will both preserve and enhance the character of our neighborhood as a whole.

We wish that the Bristols, the most careful and concerned of neighbours may proceed with their plans.

Yours

JWL
