

TRANSPORTATION PLANNING INTERNSHIP - \$20.00/hr.

The Martha's Vineyard Commission (MVC) is now accepting applications for transportation planning internship positions in the transportation department for the Summer 2024 season (May/June to August 2024). Responsibilities include the installation and retrieval of traffic counting equipment, management of the traffic count database, preparation of summary reports and office support, and conduct turning movement counts at select Martha's Vineyard intersections and businesses, as part of the Regional Transportation Planning Process and Local Technical Assistance Program. Most planning internships require some relevant coursework in the planning field along with an interest in the planning profession and relevant planning specifications. Depending on the nature of the intended workload, some organizations are more rigid than others regarding qualifications for interns.

Applicants must have reliable housing on-Island, a valid motor vehicle operator's license and access to a reliable vehicle to perform field work as well as the ability to lift objects up to 50lbs. Applicants willing to work in a team environment and one with strong computer skills are desirable.

Please Email resume and list of relevant courses completed or transcript to:
mauro@mvcommission.org or morrison@mvcommission.org

Positions open until filled.
