

## Overview of 22 Hatch Road Relocation Plan

- Property:** Existing Structures located at 22 Hatch Road, VH.
- Intention:** Relocation of main house (in 3 sections) and garage/accessory dwelling (subject to owner approval).
- Housing Reuse:** Houses will be relocated to create up to 3 separate homes to be restricted to year-round / workforce ownership or rental. Affordable limits to be determined based on land and project costs.
- Timeframe:** Based on owner's schedule and needs as communicated. Tentatively, to be relocated during September or October 2022.
- Relocation Contractor:** Sylvester Building Movers of Falmouth. They are veteran house movers whose island experience includes the Mayhew-Meinelt house relocation in Chilmark.
- Destination:** TBD. We are currently in negotiations on land acquisitions and intend to have a permanent location(s) secured and ready for relocation based on the timeframe represented by the owner. If necessary, a temporary storage location has been identified.
