Dear Jill,

On behalf of Martha's Vineyard Community Services, Inc. I am pleased to strongly endorse the expansion of the YMCA of Martha's Vineyard.

Together, MV Community Services and the YMCA of Martha's Vineyard seek to enhance the health and overall well-being of those who live, work, and raise their families on the island, as well as those who live on the island seasonally, or seek it out as a premiere vacation location. Your anticipated expansion will increase resources for community members by providing a state-of-the-art facility to exercise, play, and interact with island residents and other members of our beautiful community.

The Martha's Vineyard YMCA is already a haven for islanders of all ages. This expansion will allow you to enhance the experience for our community. As CEO of your neighboring organization (and as a member of the YMCA myself), I well understand and fully support the need for the enhanced space needed to fully deliver your vital mission.

Please do not hesitate to reach out to me for resources or support. On behalf of MV Community Services and the clients and community we serve, I fully endorse your project and wish for your enduring success

Sincerely;
