### General Notes

This document is the creation, design, property and copyrighted work of T-Mobile. Any duplication or use without express written consent is strictly prohibited. Reproduction and use by government agencies for the purposes of conducting their legally authorized regulatory and administrative functions is specifically allowed.

The facility is an unmanned private and secured equipment installation. It is only accessible by trained personnel for trouble, routine maintenance and therefore does not require any written or Danny
er service. The facility is not considered a radio station requiring public access per FEA requirements.

Contractor shall verify all plans and existing dimensions and coordinates on the job site and shall immediately notify the T-Mobile Northeast, LLC representative in writing of discrepancies before proceeding with the work or be responsible for same.

### Scope of Work

- **Type:** Service (3) Antennas
- **Location:** 39°49′34″ N, 70°4′56″ W
- **Equipment Model:**
  - **Antenna:** 100-100-HS
  - **Electrical:** 100-100-HS
  - **Submittals:** 100-100-HS
  - **Rack:** 100-100-HS
  - **Cables:** 100-100-HS
  - **Commissions:** 100-100-HS
