Hi Alex:

I can label the numbers, they have not been assessed as separate lots as of this date. Lot #2 will remain as 9B 18 61 Beach Road. Lot #1 will be 9B 18.1 and will be assigned a street number when the building permit is pulled. I have emailed the building department to confirm that.

Hi Ann Marie,

The MVC recently approved an ANR subdivision for 61 Beach Road (approval and plan attached here), and the property owner has returned with a proposal for one of the lots. Has the town already assigned new addresses and lot numbers for the subdivided lots? If so, could you please send those to me?

Thanks,

Alex
