Dear Commission,

We are summer residents in the East Chop area of Martha's Vineyard. We have known the Chuns for over 35 years, first as friends and now as neighbors in East Chop. Indeed, we were inspired to buy our home in East Chop after we saw the love they had for the East Chop community in general and their family home in particular.

As you know, the Chuns have given a lot of careful thought as to how to manage the house and its inevitable deterioration over the years.

They were initially interested in renovating the existing house to make it a year-round house. But after much deliberation, they have decided the best course is to rebuild. We have seen the plans for their proposed home. We believe it will be a welcome and tasteful addition to East Chop and consistent with the look and feel of our beloved and special part of the Vineyard.

Thank you for your time.

Sincerely,  
Dawn Davis and Mac LaFollette
