Dear Mr. Elvin

I am a seasonal resident of Oak Bluffs for 18 years. I have been coming to this beautiful island for over 18 years. I love and respect Martha's Vineyard and love all that people like you do to preserve this jewel that we have.

I have seen the latest plans that Eunu Chun and Lisa Kim have proposed for the demolition of 7 Arlington Avenue and I would like to express my full support.

My wife and I own a historic home in Oak Bluffs and I generally do not believe in the demolition of old homes.

However, I have visited 7 Arlington many times and that home unfortunately has a lot of structural issues.

In addition, I believe the plans they have put forward are consistent with the look and feel of Oak Bluffs and East Chop and will be an improvement.

Lastly, I have known Eunu and Lisa and their kids for over 30 years and they are just a wonderful family.

Thank you for taking the time to read this email.

Best Regards,

Luis Penalver
