Dear MV Commission,

I grew up on the island, a proud member of the MVRHS Class of 1986. As you can imagine, I care deeply about the island and about maintaining its beauty and simplicity.

I have known the Chun's for over 10 years and have experienced many wonderful times with them. I have reviewed the Chun's plans to rebuild and believe that their proposed new home will make a wonderful addition to East Chop and to the island as a whole.

Sincerely,
Nicole Shepard Andrews
