Dear Alex and Lucy,

My name is Robert Blacklow and I am a long-time member the East Chop community. We have owned 143 Munroe Avenue for almost 45 years and summered at the Lagoon and East Chop for over 50. We have known Eunu and Lisa for almost 40 years. Lisa and Eunu are also members of the East Chop community and have been proud home owners of 7 Arlington. We have known the prior owners of 7 Arlington as well. We know both owners have done their best to maintain the property as a summer cottage, but their needs have changed. After speaking with them personally, I am convinced that they have researched all possibilities and have decided on the plan they submitted.

I have reviewed the plan and think it is an appropriate size for their lot and their family and will be a welcome addition to East Chop. If you wish to discuss the matter in more detail with me, do not hesitate to email me at the above address or call me at 508-693-3346.

Thank you for your time.

Respectfully,

Robert Blacklow
