

Coalition to Create
THE MV HOUSING BANK

COMMUNITY LISTENING SESSIONS
MAY 3 & 5, 7-8:30PM

Visit ccmvhb.org for Zoom invitation

**We're building a bank with one goal in mind:
community preservation.**

School teachers and social workers, farmers and fishermen, nurses and nannies, truck drivers and technicians, artists and arborists, plumbers and plasterers, carpenters and curmudgeons, troublemakers and troubleshooters, those of different ages, abilities, incomes, colors, religious beliefs, and gender identities – *all deserve a fighting chance at calling this place home.*

We've done extensive research and want to discuss our ideas with the community they will serve.

You'll share and ask; we'll listen and answer.

Join us - and be part of the solution.
