Attached is a further written Opposition due to the fact that the Application substantial changed before the 8/5/21 hearing. I have also attached a STREET SCAPE (based on a MVC 2009 street scape of Dukes Cty Ave filing in 2009) and side and front views of the Old and the proposed New structures. I did a little title work that was interesting and the overview is in my 2 pages of written oppose attached, but also its a separate Title Info attachment.

You will see in my 2 page written presentation info about what has happened due to my opposing the project. Am I able to access the chat group that was happening at the MVC site during the 8/5 hearing? Or is there someone at the MVC that can help me obtain it?

I was able to voice my opinions fairly due to the professional handling by the Chairman and the MVC during the 8/5 hearing and I want to thank the MVC for that opportunity.

If you have any questions please call 508-776-9543 or email me.

Thank you Candy
