Cape Housing Institute

November 15, 2019 - 8:30 AM to 6:00 PM

Cape Codder Resort, Hyannis

Municipal officials (elected, appointed, volunteers or staff) – You're invited!

Zoning, transportation and wastewater decisions all affect the type and quantity of housing that gets built in our communities. That's why this year we're inviting ZBA, Planning Board, Wastewater and Transportation committee members—as well as traditional housing staff and officials—to join the Cape Housing Institute, a free, day-long training exploring local solutions to the housing shortage in our region.

The Cape Housing Institute will include a series of local case studies and speakers from a variety of housing perspectives. Most importantly, you'll walk away with new community connections and tools you can use to help add housing and protect and preserve our year-round communities.

Special Keynote Speaker: Massachusetts Secretary of Housing and Economic Development Mike Kennealy

Reserve your free space today: www.haconcapecod.org

Topics will include:
