To the Martha's Vineyard Commission

I have been meaning to voice my disapproval of the expansion of the Hob Knob and the Harbor View. I would appreciate time to write in detail my thoughts about those two places and get involved in the future expansions in my beloved Edgartown...

Sincerely, Carol Chirgwin Fligor

Dear Alex:

Mrs. Fligor had trouble trying to send her letter to the MVC. She asked if I could forward it to you.

Thank you

Jane
