Re: Hob Knob Inn (DRI 697) and Harbor View Hotel (DRI 614-M7)

“Hi, Alex. This is Carol Fligor in Edgartown. I have been so opposed to some of these expansions in town and I’ve been meaning to protest. I just found out that one of [the written records] is closing today, the Hob Knob, and I have a lot to say about it, but I have even more to say about the Harbor View. I don’t know if my phone call will get to you in time. I know something closes at 5:00 tonight. I am very, very unhappy about what is happening to Edgartown and I’ve got other things that I would like to say also. It seems like every Tom, Dick and Harry place is getting bought by the same people. I grew up here, my grandfather built the Colonial Inn, which is now Vineyard Square, and I’m not unhappy about that because they have done a nice job. But I would love to have you register this call as being opposed to both the Hob Knob and the Harbor View, and give me time to express my opinions in detail.”
