To: Alex Elvin <elvin@mvcommission.org>; planningboard@oakbluffsma.gov <planningboard@oakbluffsma.gov>;

To the MV commission, the Oak Bluffs Planning Board, and the Martha's Vineyard Regional High School,

I am a resident of Martha's Vineyard, parent of two boys, and a former Little League coach.

Please reject the proposed plan for artificial turf playing fields at the regional high school. Please install grass fields instead. Grass fields are just healthier for everyone. I am opposed to the artificial turf fields.

Respectfully,

Cathleen Jasper
