Alex,

We have been in communication with Kate about the fencing and tree buffer and hours/days of operation. She has agreed that we need additional screening at vulnerable "hotspots" - specifically at entrance to driveway, the farm-stand and the apartments. She also agreed to our suggested schedule of work hours 8-5 with workdays Monday to Friday with an occasional week-end day that will be agreed upon in advance.

The issue that we are now addressing is the placement of the van parking. This designated location is not in their general parking area but rather to the south of the apartments, close to our property line. Our concern is the comings and goings and the beeping back-up alert. Kate is understanding and said she would communicate our concern to her team. We would appreciate your attention to this matter. Please let me know if there are other steps we need to take before this project is approved. Thank you!

Hi Cathy,

Thanks for your letter regarding the Island Autism Group proposal. We have added this to the record. The public hearing is scheduled to open tomorrow (6/9) at 7PM, so you are welcome to provide additional comments then. (Zoom link is below.)
