**Subject:** Re: Landscape Plan

Thanks, Paul. None of us could remember if we had had the landscape plan approved or not. The Facilities Committee will be glad to hear that. We begin work on that soon.

As for the NHESP final approval of the mitigation plan, we did submit a plan to Eve Schluter and I believe it was approved. We will not be planting those trees until the worksite is finished and ground is ready for spring planting. I will double check with Eve and see where we stand.

Judy
