**Re: MVC approval of DRI 277-M2 (Tisbury Marine Terminal ANR)**

Dear Carlos,

I am writing to confirm that on Thursday, Dec. 15, 2022, the Martha's Vineyard Commission reviewed the proposed ANR subdivision of the Tisbury Marine Terminal property at 190 Beach Road, which was referred as a modification to DRI 277-M (Tisbury Marine Terminal Expansion). The Commission voted that the project did not require a public hearing, and further to approve the project as shown on the plan dated Dec. 5, 2022.

The approved plan and other application materials are available at the URL below, or at the MVC office upon request.

The town may now proceed with the permitting process. If there is anything we can help with, please let us know.

Sincerely,

A handwritten signature in black ink that reads "Alex Elvin".
