Subject: MVRHS track & field project

Hi there. I'm writing to you to show my support for the new MVRHS track & field project. Below are some important points that have been presented:

- \*Our kids deserve to have facilities to support their programs.
- \* This will not be a burden to taxpayers. Donors are ready and waiting to help us rebuild our track and athletic campus.
- \* The synthetic turf field is fourth generation, is made from recycled materials and will be fully recycled
- \* The infill is wood mulch from Georgia Pines grown organically and harvested sustainably.
- \* The woven backing contains no PFAS.
- \* One turf field allows us to rest the natural grass fields, absorbing play during growing season and bad weather.

Let's do this!!
