Subject: Synthetic Fields at the High School

Good Morning Adam,

Please find this email as a letter of support for the proposed athletic fields at the High School. As a parent, I feel the children of this island deserve the facilities to support their programs. It is widely known the facilities at the high school are a disgrace and need attention. The proposed synthetic turf is fully funded and will not be a further burden on the tax payers.

Please support the children of this island by providing them with the facilities they need to succeed.

Thank you,
Jessica McGroarty
