Subject: MVRHS Field

Good Morning Ewell and Adam,
I am writing in support of the new field projects at MVRHS.

My daughter played field hockey and lacrosse on the current fields for four years. The field hockey field was quite frankly an embarrassment to the players and fans. By mid-season they were playing on mostly dirt, and when we traveled to schools with turf we were at a huge disadvantage because it was totally foreign to our players.

The athletes at the school work so hard to maintain their grades and give 100% effort in sports. The least we can do as a community is give them a safe field to play on and a facility that they can be proud of.

Thank you!

Sincerely,

Paula A. O'Connor
