Subject: Jay Grossman's recusal on any further proceeding with MVRHS field project

Alex & Adam,

My name is Brian Patrick Hall, I'm a 2002 graduate of MVRHS, a former college lacrosse player and have been coaching lacrosse on the island for the past 16 years.

I'm writing to respectfully ask for the recusal of Jay Grossman on the plans to renovate the fields at MVRHS. Mr Grossman has repeatedly stated he's a strong opponent to the not only the schools plans to renovate but has also stated that MVRHS puts a "disproportionate focus on school sports".

Mr Grossman has made it VERY clear he's against the plans at MVRHS! Allowing him to stay and vote on a matter he's clearly against would surely open the MVC up to litigation, no?

Sincerely,

Brian Patrick Hall
