

Hello Lucy,

First of all thank you for fielding all the emails on this contentious topic. I'm sure there will be plenty of opinions to sort through.

I would like to express the opposition of myself and everyone in my household to artificial turf on MV. Sure maintenance costs are higher for real grass but I don't want to have to deal with a ruined field in 12 years when the fake one wears out and my kids need a place to practice sports.

Thank you for diligence,
-Walker Roman
