Re: Vineyard Golf Club

Dear Mr. Vercruysse, Mr. Foley and Commissioners:

I am pleased to confirm that Sheriff's Meadow Foundation has reviewed and approved the Vineyard Golf Club's plans for the Learning Center and the proposed on-course bathroom pursuant to the terms of the Deed of Conservation Restrictions and the Enhanced Conservation Restriction.

Please note that the boundaries of the Limited Building Area and Golf Course Conservation Area are being adjusted through forthcoming amendments to these conservation restrictions. The adjustment will better protect the rare frostbottom on the land by moving the Limited Building Area further away from the frostbottom while also allowing for the Learning Center to be built in the area that is proposed.

I would be pleased to answer any questions or provide additional information. Thank you.

Sincerely,

Adam R. Moore
Executive Director
