Dear Mr. Foley,

Next Thursday, May 4, at 7 pm, the MV Commission will hold a public hearing regarding Geoff Rose's application to utilize 90 Dr. Fisher Rd. for the Dispensary.

I urge the MVC to approve this request for Change of Use without delay.

Martha's Vineyard needs a dispensary and Mr. Rose has done his due diligence in preparation for providing the residents of Martha's Vineyard this service. When our residents are in need of filling their prescription for medical marijuana, they must travel off island. They deserve to have this service provided locally.

The location is ideal, fairly centrally located and in an area zoned for light industrial use.

Again, I urge the MVC to approve this request for Change of Use without delay.

Sincerely yours,

Wendy Weldon
