Greetings,

Please accept this email as support for the business known as The Barn.

I have had the pleasure of participating in bowling leagues this winter and spring at The Barn with colleagues from work. I have been a patron on a weekly basis for approximately six months. I have been at The Barn in the evening and into the night. I have dined in the restaurant as well. This is clearly a business that puts a lot of effort into what they do. Their physical plant is always clean and well taken care of, their staff is professional and pleasant, the bowling and the food are great.

My employer has held business meetings in the upstairs space, and sports teams have used the same space for team building meetings. Families have had birthday parties there.

This business has been responsible in its infancy. They have earned the privileges they seek.

Regards,
