Hello,

I am sending this email as support for The Barn.

Since opening last May, The Barn has been a great place to bring the family and friends. Oak Bluffs was in need of a place that families of all ages could enjoy and The Barn has filled that void. My kids have enjoyed the bowling and my wife and I have experienced exceptional meals w/ friends. The building and parking area are well maintained and the staff has been nothing but professional and helpful. The owners have "spared" no expense at making the atmosphere warm for all to enjoy, whether you are in one of the leagues that are available or just there to bowl a string.

Being a local business and neighbor of The Barn, my company has a place to hold luncheons for clients and after work parties for our employees which has created a positive working environment in our offices.

I would appreciate your consideration with The Barns requests.

Thank you.
