To Whom This May Concern,

I am writing you today to show my full support for The Barn and the improvements they are seeking to make to their business.

I own the Martha's Vineyard Shipyard and I bring my staff to The Barn weekly, it offers a venue for great team building and socializing that the island deeply needs.

My staff and I love our time at The Barn and I think the extended hours would offer us the opportunity to get on the town and be forced to visit a bar. Unfortunately the only night life options on Martha's Vineyard are bars, where you feel obligated to drink. We all know the challenges drinking brings to island life, it's my feeling that The Barn offers community members a place to go out in the evening and have fun.

Thank you for your consideration.

Sincerely,

James Hale
