Sirs, I am writing this letter to support The Barn in their effort to expand their hours of operation and the services they provide to the community. The owners have proven the establishment to be a well managed and responsible recreational and dining facility; The Barn has become a special place for many families because of the valuable options they provide. I am impressed with the stellar reputation they have developed in the short period of time since their opening. Thank you for considering their request, Michael Jacobs MD, Resident West Tisbury 508 693 8066
