DEAR MR FOLEY,

THIS CORRESPONDENCE IS TO EXPRESS MY CONCERN FOR AND OPPOSITION TO THE RESTORATION CONSTRUCTION FOR THE MARTHAS VINEYARD MUSEUM AND THE PROXINITY OF THIS ACTIVITY TO MY PROPERTY. THE PRIME EXAMPLE IS THE PROPOSED ABOVE GROUND 3000 GALLON GAS TANK AT THE EAST CORNER OF MY PROPERTY.

OTHER ACTIVIES AT THIS LOCATION INCLUDE IS THE AIR CONDITIONING UNIT, AN ELECTRIC GENERATOR. KITCHEN AND FOOD PREPERATION ALONG WITH DELIVERY ACTIVIES WILL BE CONCENTRATED AT THIS LOCATION AND WOULD CREATE BEYOND ACCEPTABLE NOISE LEVELS FOR THE NEIGHBOORS.

A SECOND LOOK AT THE PLACEMENT OF THESE UTILITIES WOULD PROVIDE FOR A MORE FRIENDLY ENVIROMENT FOR WHICH THE MUSEUM TO RESIDE.

YOURS TRULY

FRANCIS L. DALY
