LS The original proposal was a big decrease in intensity of use, as big as

JM Before we rush to judgement  
There are changes.

LB Is the footprint changing?

BR Slightly smaller footprint

PF It is bulkier

BR Some concern w/ Condition re: Workforce h  
Want some control or keeping it workforce

GC We couldn't do this before because of zoning.

CS W/ change in zoning we need a SP. from ZBA.

HS Met to recommend as p.h.

LB <sup>2nd</sup> Unanimous (Labs - JM)

LS Need the as-built.

Though accommodates fewer it is more compact

LS Recommended w/ front & first as-it is generic

LB <sup>2nd</sup> Unknown (BR - abstain)
