The Red Cat is beyond another restaurant it is Martha’s Vineyard history incarnate and integral to the Oak Bluffs community. Having grown up on Martha’s Vineyard Red Cat has been a part of my life in some way for many years. Martha’s Vineyard and Oak Bluffs especially wouldn’t be the same without its famous island fresca or insanely delicious fried Brussel sprouts. I am so excited for this new chapter of the Red Cat and can’t wait to see what new and exciting things it brings to Oak Bluffs in the future.

Sincerely

Grace Kortchmar
