To Whom it May Concern,

I am writing to express my sincere support for the Hob Knob's intent to expand their property to 128 Main Street. The Hob Knob is a reputable business, who's leadership is deeply engaged in the island's organizations and community. Their current property is well maintained and immaculate, boasting some of the best seasonal and tasteful décor each year in addition to top quality service and industry standard.

Additional hotel rooms at the Hob Knob would aid in accommodating more seasonal visitors that our business community will be in dire need of in the coming years. As a community, it is important to support the businesses that are capable and willing to invest in our town now, since so many merchants and residents are hurting from the fall out of 2020. Edgartown would be lucky to have such an investment on Main Street, and the continued tasteful evolution of the Hob Knob property would add value to Edgartown's pristine, welcoming appearance.

Thank you for your consideration.
