

Dear Commission.

My property is located two lots from the Inn on the corner of Tilton and Cooke. I oppose the granting of a special permit to allow the Hob Nob Inn to expand pursuant to the plans submitted to the Commission.

I object to the number of guest rooms and employee apartments being added in an already tight residential neighborhood within the historic district, and more important the impact this will have on traffic on an already narrow, overburdened and unsafe Tilton Way.

Thank you for your consideration.

Paul Cunningham
87 Cooke St.
Edgartown MA.
