Dear Ms. Morrison,

I am writing in support of the expansion of the Hob Knob Inn in Edgartown. As a resident of Edgartown, I believe the expansion would benefit the town and its economic growth.

My husband and I have had the great fortune of staying at the Inn to celebrate an anniversary. We were able to see first hand, the standards which the Inn upholds. The Hob Knob encourages guests to participate in many local events as well as dining at local restaurants. Our stay was very peaceful, relaxing and enjoyable. I believe an expansion would avail this opportunity to others, and the staff at the Inn will manage the growth in a professional way.

Please consider allowing the expansion of the Hob Knob Inn.

Sincerely,

Ruth S. Ambrozaitis
