

Dear MV Commission,

I live In a 200+ year old home directly across the Street from Mr.Tomassian.

I strongly object to the proposal to turn Mr. Tomassian's home into a sixteen room hotel/parking lot. The changes to the existing structure are first inappropriate for the neighborhood – in particular, changing the front of the historic home with the addition of dormers - 3 of them!!

The other major issue is the volume/movement of all those cars, parking, loading, and unloading, Cabs picking up and delivering, vendors delivering.

The Hob Nob - Tomassian project is totally out of place in this historic and residential district.

Thank you.

Respectfully submitted
