Dear Commissioners:

We are writing in support of the Hob Knob's proposed expansion that is pending hearing today. My husband and I have been frequent visitors to MV and will be hosting a 250 person wedding on the island this Fall. We have been frequent guests at the Hob Knob and familiar with their it's facilities and operations.

The Hob Knob boutique and homey approach to their operations is exactly the type of business that should be supported in Edgartown. We also recently purchased a nearby property in the historic district on Mill St.

We endorse and support Hob Knob's application. Thanks for your consideration.

Sincerely,
Thayer and Tom McKenzie
12 Mill St.
