

Dear Members of the Edgartown Historic District Commission:

We are the owners of the humble abode located at 4 Tilton Way, Edgartown, and therefore, the recipients of your notice of the HDC Public Hearings referenced in the "Subject line" above which are scheduled for June 25, 2020 at 4:00 p.m.

We have had the opportunity to review the plans of the proposed renovations and we write to you to express our pleasure with the planned proposals and to ask that you "grant or allow" the Certificates of Appropriateness requested by the applicants Martin (Skip) Tomassian and YIC MV Hotel, LLC (Hob Nob) respectively, as applied for by Patrick Ahearn, their Agent.

On a personal note, we want to state that we have been blessed to have been seasonal residents at Tilton Way for the past 25 years. What has made our transition from "Americans" to "Seasonal Vineyard Residents" easier and more enjoyable every year has been to have neighbors like Skip Tomassian and Diane Carr at the Hob Nob. Their love for the island and their care of, and concern for, our town is evident in everything they do with their properties and with the way they interact with islanders, visitors and, most especially, their neighbors. We are confident that whatever they propose to do with their properties will only be to enhance them and, in turn, be for the better for all of Edgartown. We ask that you look favorably upon their applications.

Sincerely,

Francis A. Ford
and
Shirley A. Doyle
