Date: April 14, 2021

Please be advised that on Tuesday, April 13, 2021 the Aquinnah Planning Board Plan Review Committee held a public hearing to review a request from Harold Wolozin TR (Laura and Max Decker, applicants) of 122 Lighthouse Road Map 6 Lot 57 to enclose 100sf of existing deck for interior living space on MACRIS structure that is over 100 years old in the Aquinnah DCPC. The Committee voted to refer the application to the Martha's Vineyard Commission under section 8.1-A and 8.1-B of the Developments of Regional Impact Standards and Criteria as a mandatory referral and MVC Review. Please note that the PBPRC found that the application falls within the limits of the Aquinnah DCPC guidelines, was a low impact project and adheres to the historical architectural significance of the existing structure.
