Regarding: DRI#751 Vineyard Montessori School Expansion
Letter of Support

To Whom it May Concern,

I am writing this letter of support for the expansion project for the Vineyard Montessori School.

I have lived on the Island for 19 years and raised 3 children here while working a full-time job so I understand the need for quality childcare services on Martha's Vineyard. It was very important to me to find childcare services that were not only nurturing for my child but most importantly SAFE. This was challenging to find on the Island and overwhelming. Having sent 2 of my children to the Vineyard Montessori School, I know first-hand the school's commitment to excellence, the community and children. The Island community would benefit greatly from this school expansion and I wholeheartedly support this project because the need for early childhood care on Martha's Vineyard is something that we need to address now!

Sincerely,

A handwritten signature in cursive script that reads "Alyssa Halisky". The signature is written in black ink and is positioned above the printed name.
