Subject: Bradley Square Revised Plan

As Trustee for the Anthony C. Shabica Trust, I wish to strongly urge the Commission to accept, as designed and presented on 15 January, the revised plan for the Bradley Square housing and office development. The detailed, multi-use and affordable housing options make this a very positive addition to the Oak Bluffs community, and to the Island of Martha's Vineyard. The architect is to be commended. Thank you for the opportunity to comment.

Sincerely,
Stephen Vale Cofer-Shabica, Trustee
