Subject: OB PIER

PLEASE approve the pier for OB just the way it is, in the spot where they have indicated as you can get the most fish there. Any other spot would be interfering with swimming during the summer.

There will ALWAYS be someone who will come along and disturb the peace no matter where you put a pier. That should not kill all the other enjoyable times that the good citizens (kids and adults) of MV can have there.

The bars in OB are more of a threat to those who disapprove than a pier don't you think?

Thanks
