Subject: roundabout

Hi

I had to leave the meeting tonight on the roundabout early so I did not get a chance to speak. I am against the roundabout. We do not have the traffic nor the accidents to warrant such a big disruption and such an amount of new paving. I think the 4 way stop signs work well. People stop and then proceed slowly through the current intersection so even if someone is not paying attention and hits another car, it will cause minimal damage. I hope you vote against this project, I really do.
thank you
