Re: Roundabout at Barnes Rd./Edgartown-Vineyard Haven Rd.

Dear Committee Members.

I am writing as a concerned citizen who has a home off Barnes Rd. and a business at the airport Business Park. My concerns are:

1. Have you considered a left turning lane for both north-west and south-east thru traffic?
2. Have you considered a traffic light controlled by sensors which could "see" traffic as it approaches from 4 different directions?
3. Should there be a traffic light to facilitate the safe passage by foot, or bicycle given the proximity of the hockey rink, skate park, YMCA, High School and the bike path?

Respectfully,

John W. Folino, Jr.
